Gordon Biersch is First in Seattle to have the RealD 3D TV Experience for Patrons

Soccer and Baseball Games Featured This Weekend

Chattanooga, Tenn. (July 8, 2010) – Sports enthusiasts in Seattle can now get into the action in a way that they have never experienced before. Gordon Biersch Brewery Restaurant will proudly debut their new RealD 3D TV's this week, making them the 1st and only restaurant in Seattle to offer guests a RealD 3D experience.

The new 46" HD-3D TV's will premier for soccer fans on Saturday, July 10th at 11:30am PST, for the FIFA World Cup match between Uruguay and Germany for 3rd place. The 3D soccer action will continue Sunday, July 11th at 11:30am PST, with the final World Cup match between Netherlands and Spain.

Gordon Biersch will also be showing available baseball games in 3D. Seattle's own Mariners take on the New York Yankees on Saturday, July 10th at 7:00pm PST, and again on Sunday, July 11th at 1:00pm PST. The restaurant will also be showing the All-Star Game in 3D on Tuesday, July 13th at 5:00pm PST. Patrons will be provided with the necessary eyewear for all events.

Guests can enjoy full food and bar menus during the 3D sporting events, including the new SommerBrau beer and Caribbean-flavored seasonal menu items. SommerBrau beer boasts a lightly fruity taste that compliments the flavors and spices featured on the limited-time-only menu. Menu items include Shrimp & Lobster Spring Rolls, Island Steak Tacos, and the popular Montego Bay Banana Split.

For more information on 3D TV events at the brewery restaurant, please contact Gordon Biersch Seattle or visit www.gordonbierschrestaurants.com.
